

EMPLOYMENT & TRAINING OPPORTUNITY:

OTC & Water First

Drinking Water Internship

6 positions available for the following First Nations:

- Alderville
- Moose Deer Point
- Scugog Island

Job Description:

- Interns will receive technical, hands-on training in a number of areas to gain transferable skills related to water quality
- The internship includes hands-on workshops, 15 months of paid internship work experience, and the ability to obtain an Operator-in-Training (OIT) Certificate, Entry Level Certification for Drinking Water Operators (ELC), Water Quality Analyst (WQA) Certificate and more
- Interns will work in the local Water Treatment Plants assisting the Plant Operators, as well as conduct environmental water quality monitoring in the community
- Additional supports including travel and phone allowance, training accommodations and limited child care support is available for qualified candidates
- Women are water-keepers and are encouraged to apply

Mandatory Qualifications:

- Must be affiliated with one of the First Nations listed above
- High School Diploma or equivalent
- Seeking full-time work
- Must be available for duration of the 15 month internship
- Must meet current community COVID-19 vaccination policies

Desired Additional Qualifications:

- Interest in water and environmental science, enjoys physical activity and being outdoors
- Strong performance and completion of grade 11 or 12 math and science class
- Ability to identify issues and problem solve, not afraid to tackle problems hands on
- Self starter, organized and excited to learn new things
- Driver's License and access to a reliable vehicle considered an asset

Salary:

\$18/hour
(35 hours per week)

Duration:

June 2023 to September
2023 (15-month contract)
