

Indigenous Skilled Trades Preparation Training

6-Day Certificate Program

August 20-21, September 10-11 and October 1-2, 2022

"To enhance career opportunities in the Construction Sector"

NATT Safety Services and Ogemawahj Tribal Council have come together in partnership to deliver a 6-day job readiness certificate program. We are seeking Indigenous Participants who are looking to develop the skills to enter the Industrial and/or local workforce.

This program will prepare its participants for the integration into the Industrial and/or Construction Sector. Ontario is currently experiencing a major skilled trades gap, therefore we want to help fill this gap by creating a skilled work force of Indigenous Peoples.

Training Offered:

- Working at Heights (CPO-Approved)
- Forklift
- Mobile Elevated Work Platform
- Ministry of Labour in 4 Steps
- Young and New Worker Awareness
- WHMIS
- Confined Space Entry and Awareness
- Confined Space Attendant

REQUIREMENTS:

**Valid Drivers License Preferred **

** Must be 18 & over **

**** Please note that the training takes place at Rama Community Hall 5950 Rama Road, Rama, ON**
